### **Reflexology: The Definitive Practitioner's Manual ...**

In this form of massage therapy, practitioners use their hands, knees, legs and feet to apply deep muscle compression and stretch the body. It's often performed on a mat on the floor instead of on a massage table. Like most forms of massage, Thai massage is used to relieve stress, improve range of motion and enhance flexibility.

What reflexology feels like. Experiences with reflexology sessions vary from a general feeling of relaxation, to a sense of "lightness" or tingling in the body, as well as feelings of warmth, a sense of "opening," or "energy moving" from the practitioner's pressure to the specific body area or organ.
